SPORT REPORT

Welcome back to the 2014 school year. We are looking forward to following your sporting performances this year. A big welcome to our new Year 7 students, we hope you participate in all the wonderful sport programs and events that our school has to offer.

School Swimming Carnival

The school swimming carnival is on Monday 10 February 2014 at Corrimal Pool. Students are to make their own way to and from the pool, roll call will be at 8.35am inside the pool grounds and dismissal will be at 1.30pm (as per our weekly early finish day on a Monday). Students need to pay $2.80 as they enter the pool and parents are welcome to attend for a 0.50c spectator fee. The theme of the carnival is “PIRATES”- so dress up and enjoy the day. There will be prizes for best dressed students and staff. Students need to bring goggles, towel, sunscreen, hat, sunglasses and food for the day. The pool canteen will be open. There will be plenty of novelty events as well as competitive races. Students who place in the top two of each event (top four for 50m freestyle) will qualify for the Zone Swimming Carnival on Friday 21st February 2014. See your information note for the school swimming program.

Term 1 Recreational Sport

Students in Years 8 - 11 have chosen their Term 1 sports. Unfortunately, we were unable to use the newly opened “Hang time Trampoline Centre” as first thought. We are hoping to secure a booking for Term 4 recreational sport. Students are reminded to return permission notes for sport. If they fail to do so they will be unable to leave school grounds. Full sports uniform is to be worn by all students on a Wednesday. Sport is a compulsory school requirement for students in Years 7-11.

Year 7 Sport

Year 7 participate in their own sport program during Term 1 on a Wednesday afternoon. A swimming program will be included for part of the term with water safety activities being completed at Towradgi Ocean Pool. Please ensure your child’s permission note is returned to Mr Tier for Year 7 sport. Year 7 students are encouraged to participate in the Zone Grade Sport Program during Terms 2 and 3.

South Coast Regional Trials

A number of regional trials are coming up for a variety of sports and age groups. A copy of the South Coast School Sport calendar is attached and can also be accessed through the South Coast SSA website via the DET NSW School Sport website www.sports.det.edu.au/south_coast

I encourage all students to regularly check the website for trial information, entry forms and information. Students willing to trial at a South Coast Regional level need to be playing competitively in that sport. Please see Mrs Arthur in the PDHPE staff room for trials information, permission notes and entry forms.

WELCOME TO THE LIBRARY IN 2014

Reading – opens doors to new worlds.

Welcome back to a new school year, one in which you immerse yourself in reading and the wonderful world of books in our school library. I would particularly like to welcome our year 7 students, new students and new staff.

Our library is the learning centre of the school and we have started as we will continue; with classes booked throughout the day, seniors utilising their study periods and all years borrowing from day one. It was especially exciting to see so many year 7 students discover the library so quickly and start borrowing.

We consider our library to be a community one, so parents are also invited to drop in and borrow. Success in learning is likely to be much higher if everyone reads every day. As such, we open before school, recess and lunch each day. It is my role to assist your student to achieve both satisfaction and success in their time at high school. To do this, I can help with research, reading choices, the writing process and study skills.

All year 7 classes will have an English lesson each fortnight in the library to promote their literacy skills and encourage a lifelong love of reading. The motivation class will undertake a special interest project while the other year 7 classes will do a similar project as an introduction to research and note taking project.

Ms Cutsforth
Teacher Librarian

SENIORS AND USE OF THE LIBRARY

All year 11 and 12 students are particularly encouraged to utilise the library resources.

The key to success can be summed up in one word: ORGANISATION

What can the library do for me and how should I use it?

1. USE your study periods.
   (Year 12 also Wednesday afternoons during sport.)

Make use of the Homework Centre, Tuesday and Thursday afternoons.

Wednesday afternoon is a good time for me to give you individual help with research, speeches and essays.

The library is open every recess and lunch – use it!

2. There is never such a thing as a ‘free’ period when you are a senior. The Library has a range of study books, such as Excel. These are invaluable for sample exams, essays, etc and there are specific guides for your English texts. If there are any resources you would like ordered, see me to do so.

3. To support you with your studies as a senior, you can - : borrow as many books as you like for as long as you like. Please just remember to renew them each fortnight.

: use the senior study rooms, including throughout all exams and the HSC. This includes booking a room if you would like to have a study session.

4. I can help with: research, essays, speeches and time management. Start your assessment tasks as soon as you get them as this allows you to spend time on the drafting and editing process. I can work with you on your drafts to improve your results!

Girls’ (student) Supervisor

Your HSC year can be very stressful for a number of reasons. We are all here to help you in any way that we possibly can. In my role as student supervisor, if there is anything I can possibly help you with; please do see me at any time.
